

St. Thomas-USVI Airport

Suggested Arrival Times

When travel is completely within the U.S. including Puerto Rico, and the U.S. Virgin Islands, recommended check-in time is a minimum of 90 minutes prior to departure when checking baggage, and at least 60 minutes prior to departure if not checking baggage.

For flights departing the U.S. Virgin Islands, the recommended check-in time is at least (4) four hours prior to scheduled departure. All flights departing out of St. Thomas will close for check-in with or without bags **60minutes** before any departure.

CHECK-IN Requirements and baggage acceptance cut-off

Customers must comply with minimum check-in requirements to retain their seats on the flight on which they are confirmed. Pre-reserved seats are subject to cancellation unless you have checked in (obtained a boarding pass) at least 60 minutes before scheduled departure. American does not guarantee to provide any particular seat on the aircraft.

For passengers checking bags, there are also baggage acceptance cutoff times. "Baggage acceptance cutoff time" means that customers must present themselves and their baggage to an airline representative for check-in no later than the stated cutoff times for the departure airport.

In addition to the minimum check-in off 60 minutes before departure, you must be present at the departure gate and ready to board at least 45 minutes prior to scheduled departure time...
